- Each prayer request is “moderated” by a member of the Prayer Team to ensure that it is appropriate – if it is, it is approved and will appear on the site

Mark Wilmarth

Prayed for 2 times.

I PRAYED FOR THIS

For two-year-old Sofie Haynes - in the pediatric ICU in San Francisco - for God's touch on her body as she struggles with numerous internal issues.

Received: February 12, 2016

- People will go on the site through their phones, tablets or computers and pray for your request – when they do, you will receive an email saying that someone prayed for your request (if you signed up for that)

We really hope that this encourages all of us to pray for each other “unceasingly.”
