

Using the eScrip Online Mall to Create Resources for Sanctuary Church

eScrip is an organization that pools together shopping vendors who are community-minded and wish to pass back a portion of purchases to non-profits. We signed up Sanctuary Church and are a registered organization. In turn, for our business, they pass a portion of the proceeds of our shopping to Sanctuary Church. We are encouraging all our Sanctuary attenders to shop through eScrip because it is literally free funding for our ministry. You'd be surprised how it adds up!

Start by clicking on this link 

When you do you will see the screen below where you either “Sign up” or “Sign In” (if you are previously signed up)

Once you are signed in you are ready to shop at over 100s of stores and establishments.

[please scroll to the next page]

If you have an establishment in mind, you can enter this in the search bar. If it is a vendor that is part of the eScrip family, you will be directed to their specific page. Let's try Kohl's. The eScrip site will bring up the Kohl's store, tell you how much of your purchase will be donated back to Sanctuary Church and you will be directed with a link to shop. When you click this link you will shop in your online establishment as you normally would.

It's that easy!

The screenshot shows the eScrip website interface. At the top, there is a dark navigation bar with 'OUR SITES' on the left and 'View Reports | Sign Out' on the right. Below this is the eScrip logo and several utility icons: 'ForgetMeNot', 'Offers & Coupons', 'Shops', and 'How It Works'. A user greeting reads 'Hello, John! You're earning for Sanctuary Church.' A search bar is visible on the right. The main content area features a 'Kohl's Department Stores' section with the subtext 'Instant earning for Sanctuary Church'. A prominent red oval highlights the text 'Earn 2.4% for Sanctuary Church'. Below this, a description of Kohl's products is provided, followed by 'Special Terms' and a link to 'Terms & Conditions'. On the left, there is a Kohl's logo with the tagline 'expect great things' and a 'SHOP NOW!' button, also circled in red. Below the button is a 'SAVE TO FAVORITES' link with a heart icon.

Have fun AND benefit Sanctuary Church in the process!

Click [here](#) to start the fun! 

For people who want to shop at [Amazon](#)'s new Smile program, which also benefits Sanctuary Church directly, click on the bag icon
